Receipt and verification of the original Declaration on honour on exclusion criteria and selection criteria and documentary evidence for exclusion and selection criteria

The original signed declaration(s) on honour on exclusion and selection criteria for the tender with the highest overall scores were submitted together with the tender (12.01.2022).

The evaluation committee has ensured that there is no detection of a recommended tenderer or members in the consortium in the lists of EU restrictive measures¹.

¹ The updated lists of sanctions are available at www.sanctionsmap.eu. Please note that the sanctions map is an IT tool for identifying the sanctions regimes. The source of the sanctions stems from legal acts published in the Official Journal (OJ). In case of discrepancy between the published legal acts and the updates on the website it is the OJ version that prevails.

Consequently, the evaluation committee recommends that the contract is awarded as follows:

Tender No	Tenderer name	Financial offer [EUR]	Contract value [EUR]
12/ 12.01.2022	LIGHTEM DIGITAL SRL	17,590.00 + VAT	17,590.00 + VAT = 20,932.10
